

To the Honorable Rod Tam, Barbara Marshall, Todd Apo, Romy Cachola, Donovan Dela Cruz, Charles Djou, Nestor Garcia, Ann Kobayashi, Gary Okina,

Regarding Bill 8-9

I am against Bills 8 and 9 because placing locations in advertising causes security issues.

I believe short term rentals ( less than 30 days) are a viable means to accommodate guests to our beautiful state and they do have a positive contribution to our community. I have used them my self when I have out of town guests who do not want to stay in Waikiki, and who want to be closer to spend time with our family. Do not cause security issues by having the address published for anyone to see. It will make it too easy for thieves to target tourists by knowing where they are staying.

Plcase kokua by casting your vote against Bill 8-9
